Harwood Center
Since 1957, Harwood Center has been providing services to children with developmental disabilities through our specialized preschool and therapy programs. Our children are experiencing challenges in their development as a result of diagnoses such as Down Syndrome, Cerebral Palsy, Autism, or Developmental Delay.

Did you know it costs Harwood between $24,000-$30,000 per year to serve one child? Proceeds from the annual golf tournament and generous community partners allow families to attend Harwood on scholarship and pay a fraction of the cost for our services. Your support will allow us to fulfill our mission and serve children in the Mid-South with developmental disabilities.

Tournament History
Please join us for the 61st Annual Memphis Harwood Golf Tournament, presented by American Snuff, benefiting Harwood Center on Monday, April 27, 2020 at Ridgeway Country Club. As the oldest charity golf tournament in Memphis, the Harwood Golf Tournament began with the idea that a golfer with an average handicap could help children with special needs.
